Division splits have been worked out from the finishing positions from the previous summer, with the winners and runner's up of division 2 swapping places with the bottom two in division 1, then all new teams added to division 2. This means 8 teams in division 1 and 7 in each division 2 and division 3 – as above

3. Tendring Challenge

No date has yet been agreed with Tendring to complete this challenge, but it is likely to be late August/Early September. Hopefully we will be organizing transport on the day, so keep an eye out for new information on the website.

4. Knockout Cup – Consolation Cup

No cup competition this summer, but the increase in teams means that we are now running 3 Divisions. If this remains the case in the winter, the knockout cups will return.

5. Reporting of Results

WhatsApp result reporting has been most successful, and this will be the default method for reporting results from now on. A simple, clear photo should be taken and posted into the MDDL Info group following the completion of the match. If anyone needs to be added to the group, then please let the results secretary know by messaging James on 07966241175. Keep in mind that you will likely get notifications up to around midnight from this group, so using the mute function might be beneficial.

Please also note that the telephone number for the results secretary on the printed result pads is no longer in service, please use the mobile number above

6. Final's night

Ran very smoothly as usual, Thanks to Maldon Constitutional Club for hosting and providing food at no cost to MDDL.

7. End of Season Competitions

Splitting between the competition venues was not as equal as we would have like, but it is understood that this is not always possible. Re-iterated that teams should split as even as possible between venues. If it is known ahead of time that this will not be possible, please notify the committee so that the person doing the draw can be notified.

8. Committee

There is currently 1 vacant spot on the committee and there have been no volunteers or nominations. Please inform your team members that there is a spot available and if anyone wishes to put their name forward then please notify the league secretary. All nominations will then be listed, and each team will have 1 vote to determine who will join the committee.

9. Leg Start

It has been asked if we could discuss and vote on a change from throwing for the ball at the start of each leg to an alternate start (home, away, home, away etc) – Majority voted to keep it as it is with a bull start.

10. League Start

The League will start on Tuesday 9th March 2024.

The committee would like to wish you all the best of luck for the coming season
